

Have a Merry Christmas
and a
Slimy New Year

- . Pour an entire bottle of Elmer's Red or Green Glue in a bowl (not both).
- . Add in $\frac{1}{2}$ cup of water.
- . Stir in $\frac{1}{2}$ tsp baking soda.
- . Add 1 tbsp contact solution.
- . Stir and it will start to pull away from sides of bowl.
- . Knead the slime until it is no longer sticky.
- . Store in container
